Dear Senator Pell,

Because of your concern for the arts, and the importance of the arts for the American populace, I would like to learn more about your "Concerned Senators for the Arts" Caucus in Congress. I would like to know what bills are presently to be considered, and what goals your Caucus holds. Any information re the Washington legislation on the arts I would greatly appreciate.

I am closely associated with

the Houston Symphony Board (Public Affairs Committee) and the Houston Symphony League (as Chairman of the Arts Legislation Committee). We value the National Endowment for the Arts and other Government support for the arts, and deplore trimming the budget in this area, where the quality of life and mental/emotional well-being of the United States people are at stake.

Thank you for any information you can give me.

Cordially,
Phyllis Tucker
(Mrs. Garrett R. Tucker Jr.)
