3. Serials Cancellation Project: A memorandum concerning the \$175,000 cut in serials will be sent to all deans, chairs, and library reps. (copies to subject selectors) outlining the project as described in Update #29. Attached to this update is a copy of the ranked list (by highest percentage increase from 1991 to 1993). This is the list that we will be working with in the final part of the project. We intend to work our way down the list, cancelling all titles until we reach the goal of \$175,000. Faculty may substitute titles from lower on the list to retain higher increased titles. Your comments are welcome.
