**PLANNING TERMS**

**Goal** – As described in the University of Rhode Island’s Academic Plan 2010-2015 titled *Charting our Path to the Future*.

**Objective or Strategy** - This refers to how the goal will be achieved.

**Metrics or Key Indicators** - Indicate how the achievement of the goal will be measured. How you know when you have been successful.

**Actions** - This refers to specific steps that will be implemented towards achieving the objective. These steps frequently articulate the timeframe in which each action step would be completed.
