COLLECTION DEVELOPMENT UPDATE
                               #37
                          23 June 1994

Contents: 1. Library Materials Budget Allocation, FY95; 2. List of
Subject Selectors [attached].

1. FY95 Library Capital

The library material budget allocation has improved from the last
report, basically because we will attempt to acquire much of our
computer/data base improvements via grant support rather than from the
capital budget [capital equipment allocation reduced from $180,000, to
this year's level of $66,000].

Kingston serials: $1,400,000
Kingston books: 379,000

Pell: 132,000
CCE: 52,000

Equipment: 66,000

Total: $2,029,000

Reminder: please send me your plans for FY95 activity asap.

2. Subject selectors list.

Please review the attached list of personnel and report any updates or
corrections to me. Thanks.
