APR. 21

Bob McKenna called re your interest in  
Bicentennial Era legislation.

He is aligned with the Rhode Island Bicentennial  
Commission and helped form a Bicentennial Council of the 13 Original  
States established as a result of a meeting in Newport in 1970.

Bob sends his testimony on the need for  
renewed focus on the Bicentennial Era which he presented to the  
Platform Committee of the Democratic National Committee meeting  
in Newport on Apr. 3 of this year.

I thought this worth bringing to your  
attention as it shows the applicability of the Rockefeller  
proposals to Rhode Island.

I promised Bob we would keep him informed of all  
developments.
