Faculty Senate

Committee on the Coordination of Academic Programs with the Division of University Extension.

The following three motions were approved separately:

1. That the program in General Education adopted by the Faculty Senate on December 3, 1964, apply to all baccalaureate degree programs given in the University Extension, except that the courses in Physical Education (4 credits) should not be required.
2. That academic standards for all students in the degree programs in the University Extension Division be similar to those in the campus programs.
3. That all Extension Division faculty who are not members of the regular campus faculty be given full information regarding faculty standards and procedures before entering upon classroom duties.
