B. From the College of Engineering

1. Approve request to consider undesignated "Professional Electives" in the curriculums of the College of Engineering to be "free, unattached electives" within the meaning of the Intellectual Opportunity Plan, thus permitting students in Engineering to elect the S/U option, subject to the regulations of the Intellectual Opportunity Plan and the College of Engineering.
2. Approve the request to consider any 100 or 200 level course taken to satisfy the "Humanities elective" requirement in the curriculums of the College of Engineering to be "free, unattached electives" within the meaning of the Intellectual Opportunity Plan, thus permitting students in Engineering to elect the S/U option, subject to the regulations of the Intellectual Opportunity Plan and the College of Engineering.
