This worksheet is designed to help you plan your submission for the 2006-07 ACRL Statistics. The figures on this worksheet should be similar to those in the Web form, except in cases where data are unavailable. If an exact figure is unavailable, enter a value of -1. If the appropriate answer is zero or none, use "0." If a question is not applicable in your library, enter a -2 value.

In order to ensure that your data is SAVED in the event that you cannot complete your ACRL survey in one sitting, you must do the following: 1) make sure cookies are enabled on your Web browser and 2) click the save button on the current page. Problems with these procedures should be address to the Library Research Center at surveys@lrcmail.lis.uiuc.edu.

FOOTNOTES

On the Web form, you will be able to add footnotes to individual questions, as well as footnotes that apply to your entire institution. Please provide any information which would clarify the figures submitted, e.g., the inclusion of branch campus libraries or any special projects which might cause radical increases or decreases from the 2005-06 data. The form will not be able to provide your institution's 2005-06 footnotes; please use the footnotes published in the ACRL Statistics 2005-06 for comparison if necessary. Please make an effort to word your footnotes in a manner consistent with notes appearing in the published report, so that the ACRL Office can interpret your footnotes correctly.

Please submit the completed questionnaire online by March 30, 2008.

Please visit the survey website where you will find instructions, printable forms, and answers to some of your questions.
