MEMORANDUM

NOVEMBER 5, 1962

TO: SENATOR
FROM: ISABELLE
RE: YOUR QUESTIONS ON THE ART BILL

I have copies of most of the testimony at the art hearings and have seen the report, but do not have a copy of that. I have asked Lee to hunt one up for me.

As for post-election mileage: Since Congressman Fogarty's hearings seem to have been indefinitely postponed, I do not think you would be stepping on his toes by getting out a release on your bill. ~~This could be done independently or~~ in conjunction with the next exhibition of R.I. art in your Washington office.

If you like, we might also get up a short statement to be mimeographed and distributed as the traveling exhibit goes around the State. There is an explanatory sheet that is distributed in the town and city halls now, so this could go along with it.

We could also send copies of the bill and the report to the Art Departments at the various colleges, and to the art clubs in the State.

to get the committee report and hearings
