RE: FYI: Library Technical Amendments

July 29, 1991

I just want you to be aware that we are doing some minor technical amendments for the National Commission on Libraries, the body that ran the White House Conference.

The most significant change is that we are raising their authorization ceiling for the first time in 20 years from \$777,000 to \$911,000. There is interest in appropriations in giving the Commission additional funds which will now be possible.

All Labor Committee leaders have signed off on these amendments.
