Dear Mr. Wexler,

This letter is to confirm our invitation to you to participate in a panel discussion at the annual meeting of the National Association of Schools of Art in Washington in October 1975. The topic of this panel is "Government and the Arts" which will be held at the Corcoran School of Art, 17th and New York Avenue, October 17th, Friday, at 11:00 a.m. Other participants invited on this panel are Nancy Englander from the National Endowment of the Humanities, John Spencer representing the National Endowment of the Arts; and Dr. Harold Arberg who is Director of the Arts and Humanities Staff of the Department of HEW has accepted.

This panel discussion would be followed at noon by a cocktail reception with Corcoran School of Art faculty and staff and a lunch and address by Michael Whitney Straight, Deputy Chairman of the NEA in the Mantle Room of the Corcoran Gallery of Art. Of course, you are invited to both these events.

I very much look forward to meeting you and know that your contribution to this conference will be very rewarding to the over 100 NASA Deans and Presidents attending. I will be in touch with you later to give you the final details. Again, thank you very much for your acceptance.

Sincerely,

Roy Slade
