Memorandum re: proposed report language regarding item #3
on page 8 of the Arts and Humanities comparative
print

The following report language is proposed by
Senator Hathaway to accompany Senate receding on this item.
Any deviation from this language must be cleared with
Senator Hathaway or Larry Gage.

The Senate recedes, in the interest of
consistency in the authorizing language of the two
endowments. However, the conferees [managers] do not
intend that either endowment make grants or contracts
which include international activities unless the
primary purpose of such grants or contracts is to
support/arts or the humanities in the United States.
