RE: Technical Amendments for National Commission on
Libraries

I am sending you a copy (through your committee box) of a draft of the technicals that the National Commission on Libraries has requested of us.

I believe each of us had a visit with Peter Young, the Commission's Executive Director, about these. I am not aware of any problems so my proposal is to have Senator Pell introduce it next week to be held at the desk and passed UC.

Please let me know if this is OK with you all.

Thanks. Sandy
