Dear Clai—

Here's an idea I mentioned to Pamela at a soiree recent. I'm sending a copy of it to Jane Alexander with the thought that if she's interested in implementing, she'll need to consult with you. Obviously, no legislation is needed— but I'm remembering your idea about providing grantees with special certificates. These would go to non-grantees at this time— but I know—
talking to arts people - that the kind of recognition I'm suggesting would be very useful, as they seek private help -

Merry Christmas to you, Viola, the family and everyone - from Catharine L. W.
