# Gay Students Coalition

Support for the LGBT community is growing in our school. The Gay Students Coalition, a group of students who have formed a support network, is working to create a safe and inclusive environment for all students. The coalition has organized several events, including a panel discussion on the challenges faced by LGBT students and a panel discussion on the importance of allyship. The coalition is also working to create a safe space for students to express their gender identity and sexual orientation. The coalition is currently working on a petition to support the creation of a safe space for LGBT students. The coalition is also working to create a safe space for students to express their gender identity and sexual orientation. The coalition is currently working on a petition to support the creation of a safe space for LGBT students.

## Gay Students' Coalition

The Gay Students' Coalition is an organization designed to dispel myths that have formed about gay people. Its purpose is to make the U.S. community aware of the needs and wants of their gay students. The GSC tries to accom-

plish this goal with various consciousness-raising projects such as participation in National Gay Day events here. Among other projects, the Gay Students' Coalition also holds training sessions for potential speakers, panel members,
