Mr. Grose Evans  
Curator of the Index of American Design  
National Gallery of Art  
Washington 25, D. C.

Dear Mr. Evans:

Thank you for your memorandum concerning the exhibition of collotype reproductions for Rhode Island. I am happy to have your confirmation that the exhibit will be ready to be shipped about the middle of May. We have not yet established whether it should be shipped directly to the first place of exhibition, but you will no doubt be hearing soon from Mrs. Isabelle Leeds who is making the arrangements from our Providence Office, 418 Federal Building, Providence, Rhode Island. I think it would be best to send the descriptive sheets to her there.

In our conversation, you mentioned that there would probably be an introductory paragraph with some mention of Senator Pell's interest in the project. As you can imagine, we would like to work this out with you.

I shall look forward to hearing from you on this and other details of the project as it goes forward, and please be sure to let me know if I can be of assistance in any way.

Thank you again for my delightful lunch at the Gallery.

Sincerely,

Sheila Schermerhorn
