ALLOTMENTS TO STATES AND INDIAN TRIBES

SEC. 5. (a)(1) From the sums appropriated pursuant to clause (1), (2), or (3) of section 4(a) for any fiscal year, the Secretary shall allot the minimum allotment, as determined under paragraph (3) of this subsection, to each State. Any sums remaining after minimum allotments have been made shall be allotted in the manner set forth in paragraph (2) of this subsection.

(2) From the remainder of any sums appropriated pursuant to clause (1), (2), or (3) of section 4(a) for any fiscal year, the Secretary shall allot to each State such part of such remainder as the population of the State bears to the population of all the States.

(3) For the purposes of this subsection, the "minimum allotment" shall be—

(A) with respect to appropriations for the purposes of title I, \$200,000 for each State, except that it shall be \$40,000 in the case of Guam, American Samoa, the Virgin Islands, the Northern Mariana Islands, and the Trust Territory of the Pacific Islands;

(B) with respect to appropriations for the purposes of title II, \$100,000 for each State, except that it shall be \$20,000 in the case of Guam, American Samoa, the Virgin Islands, the Northern Mariana Islands, and the Trust Territory of the Pacific Islands; and

(C) with respect to appropriations for the purposes of title III, \$40,000 for each State, except that it shall be \$10,000 in the case of Guam, American Samoa, the Virgin Islands, the Northern Mariana Islands, and the Trust Territory of the Pacific Islands.

If the sums appropriated pursuant to clause (1), (2), or (3) of section 4(a) for any fiscal year are insufficient to fully satisfy the aggregate of the minimum allotments for that purpose, each of such minimum allotments shall be reduced ratably.

(4) The population of each State and of all the States shall be determined by the Secretary on the basis of the most recent satisfactory data available to him.

(5) There is hereby authorized for the purpose of evaluation (directly, or by grants or contracts) of programs authorized by this Act, such sums as Congress may deem necessary for any fiscal year.

(6) The amount of any State's allotment under subsection (a) for any fiscal year from any appropriation made pursuant to clause (1), (2), or (3) of section 4(a) which the Secretary deems will not be required for the period and the purpose for which such allotment is available for carrying out the State's annual program shall be available for reallocation from time to time on such dates during

(c)(1) From the sums available pursuant to the second sentence of section 4(a) for any fiscal year, the Secretary shall allot an equal amount to each Indian tribe. Grants from such allotted amounts shall be made to Indian tribes which have submitted approved applications under section 403.

(2) Any allotted funds for which an Indian tribe does not apply, or applies but does not qualify, shall be reallocated by the Secretary among Indian tribes which have submitted approved plans under section 404. In making such allocations (A) no funds shall be allocated to an Indian tribe unless such funds will be administered by a librarian, and (B) the Secretary shall take into account the needs of Indian tribes for such allocations to carry out the activities described in section 402(b).

(c)(1) From one-half of the sums available pursuant to the second sentence of section 4(a) for any fiscal year, the Secretary shall allot an equal amount to each Indian tribe that submits an approved application under section 403.

(2) From the remaining one-half of the sums available pursuant to such second sentence, the Secretary shall make allocations to Indian tribes that (A) are receiving an allocation under paragraph (1) of this subsection for such fiscal year, and (B) have submitted approved applications under section 404.

*italics*

(3) In making allocations under paragraph (2)—

(A) no funds shall be allocated to an Indian tribe unless such funds will be administered by a librarian; and

(B) the Secretary shall take into account the needs of Indian tribes for such allocations to carry out the activities described in section 402(b).

(4) In making allocations under this subsection, the Secretary shall take such actions as may be necessary to prevent an allocation from being received to serve the same population by any two or more of the following entities as defined in, or established pursuant to, the Alaska Native Claims Settlement Act:

- (A) an Alaskan native village,
- (B) a regional corporation, or
- (C) a village corporation.

PAYMENTS

Sec. 7. (a) From the allotments available therefor under section 5 from appropriations pursuant to clause (1), (2), or (3) of section 4(a), the Secretary shall pay to each State which has a basic State plan approved under section 6(a)(1), an annual program and a long-range program as defined in sections 3 (12) and (13) an amount equal to the Federal share of the total sums expended by the State and its political subdivisions in carrying out such plan, except that no payments shall be made from appropriations pursuant to such paragraph (1) for the purposes of title I to any State (other than the Trust Territory of the Pacific Islands) for any fiscal year unless the Secretary determines that—

(1) there will be available for expenditure under the programs from State and local sources during the fiscal year for which the allotment is made—

(A) sums sufficient to enable the State to receive for the purpose of carrying out the programs payments in an amount not less than the minimum allotment for that State for the purpose, and

(B) not less than the total amount actually expended, in the areas covered by the programs for such year, for the purposes of such programs from such sources in the second preceding fiscal year; and  
 (2) there will be available for expenditure for the purposes of the programs from State sources during the fiscal year for which the allotment is made not less than the total amount actually expended for such purposes from such sources in the second preceding fiscal year.

(b) In fiscal year 1990, and every fifth fiscal year thereafter, each State library agency may review its expenditures in the second fiscal year preceding fiscal year for which the determination is made under the programs from State and local sources and file with the Secretary a statement to establish a current, revised expenditure level to be used for measuring the maintenance of effort required under subsections (a)(1)(B) and (a)(2).

*italics*

*(c)*

(b)(1) For the purpose of this section, the "Federal share" for any State shall be, except as is provided otherwise in title III, 100 per centum less the State percentage, and the State percentage shall be that percentage which bears the same ratio to 50 per centum as the per capita income of such State bears to the per capita income of all the States (excluding Puerto Rico, Guam, American Samoa, and the Northern Mariana Islands, the Virgin Islands, and the

Trust Territory of the Pacific Islands), except that (A) the Federal share shall in no case be more than 66 per centum, or less than 33 per centum, and (B) the Federal share for Puerto Rico, Guam, American Samoa, and the Northern Mariana Islands and the Virgin Islands shall be 66 per centum, and (C) the Federal share for the Trust Territory of the Pacific Islands shall be 100 per centum.

(2) The "Federal share" for each State shall be promulgated by the Secretary within sixty days after the beginning of the fiscal year ending June 30, 1971, and of every second fiscal year thereafter, on the basis of the average per capita incomes of each of the States and of all the States (excluding Puerto Rico, Guam, American Samoa, the Virgin Islands, the Northern Mariana Islands, and the Trust Territory of the Pacific Islands), for the three most recent consecutive years for which satisfactory data are available to him from the Department of Commerce. Such promulgation shall be conclusive for each of the two fiscal years beginning after the promulgation.

*(d)*

(c) From the sums available pursuant to the second sentence of section 4(a), the Secretary shall pay to each Indian tribe which has an approved application under section 403 an amount equal to such tribe's allotment under section 5(c)(1) and shall pay to each Indian tribe which has an approved plan under section 404 an amount equal to such tribe's additional allocation under section 6(g)(2), except that such additional allocation shall not exceed 80 percent of the cost of carrying out such plan.

Sec. 101. The Secretary shall carry out a program of making grants from sums appropriated pursuant to section 4(a)(1) to States which have approved basic State plans under section 6 and have submitted annual programs under section 103—

(1) for the extension of public library services to areas and populations without such services and the improvement of such services to areas and populations to ensure that such

services are adequate to meet user needs and to make library services accessible to individuals who, by reason of distance, residence, handicap, age, literacy level, or other disadvantage, are unable to receive the benefits of public library services regularly made available to the public;

(2) for adapting public library services to meet particular needs of individuals within the States;

(3) for assisting libraries to serve as community information referral centers;

(4) for assisting libraries in providing literacy programs for adults and school dropouts in cooperation with other agencies and organizations, if appropriate;

(5) for assisting libraries in developing inter-generational library programs that will match older adult volunteers with libraries interested in developing after school literacy and reading skills programs for unsupervised school children during afterschool hours;

(6) for assisting libraries in providing mobile library services and programs to licensed or certified child-care providers or child-care centers;

(7) to establish and support model library literacy centers, coordinated by the State library administrative agency with other interested State agencies and nonprofit organizations to reduce the number of functionally illiterate individuals and to help them reach full employment;

(8) ~~(5)~~ for strengthening State library administrative agencies;

(9) ~~(6)~~ for strengthening major urban resource libraries;

(10) for assisting public libraries in making effective use of technology to improve library and information services.

Sec. 102. (a) Funds appropriated pursuant to paragraph (1) of section 4(a) shall be available for grants to States from allotments under section 5(a) for the purpose of paying the Federal share of the cost of carrying out State plans submitted and approved under section 6 and section 103. Except as is provided in subsection (b), grants to States under this title may be used solely—

(1) for planning for, and taking other steps leading to the development of, programs and projects designed to assist libraries to serve as community centers for information and referral and to extend and improve library services, as provided in clause (2);

(2) for (A) extending public library services to geographical areas and groups of persons without such services and improving such services in such areas and for such groups as may have inadequate public library services; and (B) establishing, expanding, and operating programs and projects to provide (i) State institutional library services, (ii) library services to the physically handicapped, and (iii) library services for the disadvantaged in urban and rural areas; and (C) strengthening metropolitan public libraries which serve as national or regional resource centers; and

(3) for supporting and expanding library services of major urban resource libraries which, because of the value of the collections of such libraries to individual users and to other libraries, need special assistance to furnish services at a level required to meet the demands made for such services.

No grant may be made under clause (3) of this subsection unless the major urban resource library provides services to users throughout the regional area in which such library is located.

Insert

In carrying out its program to accomplish the purposes of this title, a State may make subgrants to library systems or networks which include libraries other than public libraries, if the purpose of the subgrant is to improve services for public library patrons.

(b) Subject to the provisions of section 8 and such limitations and criteria as the Secretary shall establish by regulation, grants to States under this Act may be used (1) to pay the cost of administering the State plans submitted and approved under this Act (including obtaining the services of consultants), statewide planning for and evaluation of library services, dissemination of information concerning library services, and the activities of such advisory groups and panels as may be necessary to assist the State library administrative agency in carrying out its functions under this title, and (2) for strengthening the capacity of State library administrative agencies for meeting the needs of the people of the States.

102 (c)(1) Subject to such criteria as the Secretary shall establish by regulation, in any fiscal year in which sums appropriated pursuant to paragraph (1) of section 4(a) (excluding the amount made available for Indian tribes and Hawaiian natives) exceed \$60,000,000, each State which is subject to the provisions of this subsection shall reserve that portion of the allotment of each State attributable to the amount in excess of \$60,000,000 in that fiscal year in the manner required in paragraph (2).

(2)(A) In each State having one or more cities with a population of 100,000 or more individuals, as determined by the Secretary, and in which the aggregate population of such cities does not exceed 50 percent of the total population of the State, the portion of the excess amount specified in paragraph (1) shall be reserved for the purposes described in subsection (a)(3) of this section in accordance with clause (2) of section 103 in an amount which bears the same ratio to the total of such excess amount as the aggregate population of such cities bears to the total population of such State.

(B) In each State having one or more cities with a population of 100,000 or more individuals, as determined by the Secretary, and in which the aggregate population of such cities exceeds 50 percent of the total population of the State, 50 percent of the excess amount specified in paragraph (1) shall be reserved for the purposes described in subsection (a)(3) in accordance with clause (2) of section 103.

(C) Any State which does not include any city with a population of 100,000 or more individuals, as determined by the Secretary, shall not be subject to the provisions of this subsection.

ADD NEW 102(C)(3)

(3) No State shall, in carrying out the provisions of paragraph (2) of this subsection, reduce the amount paid to any major urban resource library below the amount that such library received in the year preceding the year for which the determination is made under such paragraph (2), except that such amount shall be ratably reduced to the extent that the total Federal allocations to the State under section 5 for purposes of this title for the applicable fiscal year are reduced or that the 1990 Census shows the population of the city served by such library has decreased.

SEC. 103. Any State desiring to receive a grant from its allotment for the purposes of this title for any fiscal year shall, in addition to having submitted, and having had approved, a basic State plan under section 6, submit for that fiscal year an annual program for library services. Such program shall be submitted at such time, in such form, and contain such information as the Secretary may require by regulation, and shall—

(1) set forth a program, subject to clause (2) of this section, for the year submitted under which funds paid to the State from appropriations pursuant to paragraph (1) of section 4(a) for that year will be used, consistent with its long-range program, solely for the purposes set forth in section 102;

(2) set forth a program for the year submitted under which the amount reserved by the State under section 102(c), if applicable, will be used for the purposes set forth in clause (3) of section 102(a);

(3) set forth the criteria used in allocating such funds among such purposes, which criteria shall insure that the State will expend from Federal, State, and local sources an amount not less than the amount expended by the State from such sources for State institutional library services, and library services to the physically handicapped and institutionalized individuals during the second fiscal year preceding the fiscal year for which the determination is made;

(4) describe the uses of funds for programs for the elderly which may include (A) the training of librarians to work with the elderly; (B) the conduct of special library programs for the elderly particularly for the elderly who are handicapped; (C) the purchase of special library materials for use by the elderly; (D) the payment of salaries for elderly persons who wish to work in libraries as assistants on programs for the elderly; (E) the provision of in-home visits by librarians and other library personnel to the elderly; (F) the establishment of outreach programs to notify the elderly of library services available to them; and (G) the furnishing of transportation to enable the elderly to have access to library services;

(5) describe the manner in which funds for programs for handicapped individuals will be used to make library services more accessible to such individuals.

(5) describe the uses of funds to make library services and programs more accessible to handicapped individuals.

(6) include such information, policies, and procedures as will assure that the activities to be carried out during that year are consistent with the long-range program; and

(7) include an extension of the long-range program, taking into consideration the results of evaluations.

No State shall, in carrying out the provisions of clause (2) of this section, reduce the amount paid to an urban resource library below the amount that such library received in the year preceding the year for which the determination is made under such clause (2). The amount which a State is required to expend pursuant to clause (3) of this section shall be ratably reduced to the extent that Federal allocations to the State are reduced.

PRESERVATION PROGRAMS

SEC. 305. (a) The long-range program and annual program of each State under this title may—

(1) include a statewide preservation cooperation plan that complies with this section; and

(2) identify the preservation objectives to be achieved during the period covered by the long-range plans required by section 6.

(b) A statewide preservation cooperation plan complies with this section if—

(1) such plan specifies the methods by which the State library administrative agency will work with libraries, archives, historical societies, scholarly organizations, and other agencies, within or outside the State, in planning, education and training, coordinating, outreach and public information, and service programs to ensure that endangered library and information resources are preserved systematically; and

(2) such preservation plan is developed in consultation with such parties and agencies as the State archives, historical societies, libraries, scholarly organizations, and other interested parties.

(c) A State that has a statewide preservation cooperation plan that complies with this section may use funds under this title to carry out such plan.
