Washington, D. C. 20515

Dear Senator Pell:

During the 1994 Midwinter meeting of the American Library Association, the ALA Council adopted the enclosed Resolution on Adequate Funding for the Library of Congress. The American Library Association is a nonprofit educational organization of more than 57,000 librarians, trustees, educators, and other friends of libraries dedicated to the improvement of library services.

The American Library Association urges Congress to protect the Library's FY94 funding and approve the Library's full budget request of \$358 million for FY95.

Sincerely,

Carol C. Henderson
