Dear

On behalf of the entire Committee to Eliminate Homophobia and Heterosexism I'd like to thank you for your contribution to our symposium on Gay, Lesbian, and Bisexual studies. Without your willingness to share of yourself and your work, the symposium would not have been possible. With it, the conference was a great success. Thank you.

We would also be interested in any feedback you have to offer us on the symposium. Any constructive criticism, suggestions for next year, or thoughts in general can be sent to me and I will share them with the committee. For that matter, if you have any ideas to share about future projects you'd like the committee to undertake, by all means send them along as well.

Thank you again for your participation.

Gratefully,

Bill Bartels, chair
