Dear Dr. Nettinga:

Thank you for your thoughtful letter of June 16th.

I am glad you like the bill we are introducing in connection with the American Constitution Bicentennial Foundation. Its purpose is to ensure there will be something of a more permanent nature coming out of our Bicentennial year than just a big celebration. I am glad we think alike in this regard.

Thank you for your thought of distributing the Liberty Bell Scripture Selections to be used in churches and community organizations on July 4th. I think it is a little late to do this, although if you would like to send me a few of them, I would do what I can to spread them about.

I was much interested in your thought of an anniversary event in 1982 and hope and trust that I shall still be a Senator and be able to help you in this regard.

With every good wish.

Ever sincerely,

Claiborne Pell
