Declared Missing Procedures.

Many subject selectors have received catalog cards stamped "Declared Missing". The Circulation department has officially declared that we no longer hold these titles, and the Catalog Dept. has removed all records from public catalog and OCLC holdings. It is the responsibility of each subject selector to review these titles. No action is necessary if replacements are not needed. If replacement is desirable, and if selector has funds in appropriate allocation, a BRF should be submitted to the Acquisitions Dept., as any other firm order would be submitted.
