Dear Senator:

Thank you for your letter of October 30, 1978, on behalf of the Providence Inner City Arts Association, which has applied to the National Endowment for the Arts for assistance under the Special Summer Projects category of the Expansion Arts Program.

We certainly appreciate receiving your very supportive comments on behalf of the Association's proposal. Their application is currently being reviewed by the Endowment's Expansion Arts Program staff. Later this month, the Association's application will be considered by the Expansion Arts Advisory Panel, whose recommendations will be brought before the February 1979 meeting of the National Council on the Arts. The Providence Inner City Arts Association will be notified of the decision reached on their request shortly thereafter.

You may be assured that their application is receiving very careful attention.

Best wishes,

Sincerely,

Livingston Biddle
