NOTE 550a re: Section 213. **DEFINITIONS**

put in report

LIBRARY. --- The term "library" includes --- (A) a library entity supported at least in part by state or local funds, or recognized by the State or locality as a public library; (B) a public elementary or secondary school library; (C) an academic library; (D) a research library, which, for the purposes of this section, means a library which makes library services and materials suitable for scholarly research and not otherwise available to the public, publicly available, and is not an integral part of an institution of higher learning; and (E) a private library, but only if the State in which such private library is located determines that the library should be considered a library for purposes of this Act.

[This is the House definition with additional language to clarify the meaning of "public library" and "research library".]

H.R. 1617, TITLE III - MUSEUMS AND LIBRARIES

*Note 530: The amendment creates a new Institute of Museum and Library Services and consolidates into it the functions of the IMS, along with federal library programs under the Library Services and Construction Act and Title II of the Higher Education Act. Focuses of the amendment include helping libraries acquire and use new technologies, forging electronic ties among libraries and between libraries and one stop career centers as well as information access for people of diverse geographic, cultural and socioeconomic background and people with disabilities as well as people with limited functional literacy and information skills.
