## Homosexuality hit

To the Cigar:

It seems that every society down through the ages have had their share of "misfits". Some more, some less. The more idleness and deprivation in a society from the highest to those in the lowest brackets, the more "misfits" it generates. When a system of society is in a process of decay all kinds of evils spring forth naturally.

Homosexuality, lesbianism and pornography, let alone crime and corruption, have a field day every day along with teen-age prostitution and venereal disease.

I do not subscribe to a breakdown of moral values in pursuance of freedom. Some people make the issue of freedom paramount. Freedom for good as well as freedom for evil. A healthy society needs some form of regulation for the tender years of its people.

In Hartford, Conn. during the war (the big one), many of the city's utility poles along the sidewalks, especially those near bus and trolley stops, had placard signs on them reading, "Fight Venereal Disease". Recent reports state that venereal disease is still our number one problem and that most cases are not reported.

Right now the more vocal homosexuals are making the biggest noise, clamoring for equal protection in our capitalist society. These people don't seem to have any quarrel with any other phase of our society. At present they say, it is just to live in peace in their little world outside of closets. This is only to get a foot in the door.

Their immediate goal is legal protection to pursue their special "pastime" unmolested. They would like to operate out in the open and get around to "educate" the uneducated among the youth under the guise of freedom.

There will be no stopping them after getting legal protection. When it comes to agitation and propaganda, they are bolder and more brazen than the communists ever were in their field.

Public parades as a rule demonstrate the purpose of the parade since a parade is a public spectacle. These people like to parade and flaunt themselves.

In North Central India, on the outside of the walls of what are called the "Temples of Khajuraho" (some 22) sculpture, almost life-size, in stone depict some history of their people from a by-gone-age. Among the figures are many groups in orgies involving men, women and animals.

For many years these temples were closed to the outside world as being embarrassing by the British. Now in recent years they have become a tourist attraction.

On this subject of homosexuality

ty most people do not like to get involved even remotely for fear of being "clobbered" by those who now run with the pack. But when a secret vote can be taken, as in the Anita Bryant crusade in Florida, many of the timid will come forth to vote.

But the goal of these people is really no goal at all for labor. I cannot see where this way of life has any connection with any labor movement. And for labor unions to take part in supporting their demands will create more harm than good for the labor movement as a whole.

Labor honors the working woman whether in the home, factory or elsewhere. This "Homo" activity is an insult to women. For people to get involved in this sort of activity is an unhealthy state of mind.
