The Honorable Claiborne Pell  
335 Russell Office Building  
U.S. Senate  
Washington D.C. 20510

Dear Senator Pell,

Enclosed you will find thousands of petitions requesting your support of proposed language for a law concerning the National Endowment for the Arts. These petitions are from your constituents who are also supporters of Christian Action Network. Christian Action Network is a grassroots lobbying organization dedicated to the protection of pro-family rights and issues. With over 90,000 active contributors, CAN has been striving to help our country battle the corruption against traditional family values.

Senator Pell, we are asking that "No funds made available to the National Endowment for the Arts may be used to promote or produce materials that depict or describe in a patently offensive way, sexual or excretory activities or organs, or religion or religious symbols."

Please stop this abuse of taxpayer money. Please consider this language and help us have it passed into law. We appreciate your time and hope that you will see the need for this law to be passed and do what is necessary.

Sincerely,

Julie Hinkle
