Dear Senator Pell:

Many thanks to you and your fine staff for taking time during Legislative Day (April 19th) to speak with our state delegation about library issues.

Our Federal Relations committee (RI Library Association) sees some very exciting times ahead as we move toward the much-discussed information superhighway. Your continued support will allow libraries to maintain their key role in the development of that electronic phenomenon.

Again, thank you for your attention to our special needs.

Sincerely,

Joan C. Prescott
