The Honorable Peter H. Kostmayer  
123 Cannon House Office Building  
Washington, D.C. 20515

Dear Congressman Kostmayer:

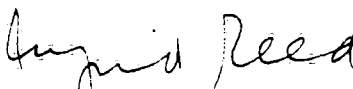

You are terrific! For several years I have been pleased to receive your press releases about your open space initiatives.

Your recent announcement about the American Landscape Protection Act caused me to write and express my appreciation for your creative efforts. They would benefit New Jersey and complement our state planning efforts. Although we only have a river between us, I hope we in New Jersey can work more closely with your supporters in Pennsylvania.

Beyond our region, I plan to make sure that the National Growth Management Network is aware of the Landscape Protection Act.

With warm good wishes,

Sincerely,

Ingrid W. Reed  
Assistant Dean
