Seeking a mature, responsible volunteer
to help the Counseling Center this
coming year provide

programming regarding Gay, Lesbian and Bisexual issues:

Needed is a coordinator of educational panels: one individual who can take primary responsibility for organizing panels on Lesbian/gay/bisexual issues for classroom presentations. The coordinator will be implementing a format developed two years ago by Gary Burkholder and Anne Dineen; responsibilities include recruiting panel members from URI's glb student population and the surrounding community, and scheduling the panels. A student coordinator might be able to earn academic credit for field experience through this project.

The program will be supervised by a Counseling Center staff member. If you or someone you know might be interested, inquiries can be directed to Tressa and/or Grace Frenzel (874-2288.)
