It has been accepted for inclusion in Art and Industry (1962) by an authorized administrator of DigitalCommons@URI. For more information, please contact digitalcommons-group@uri.edu.
Sir:

Miss Leeds' request of November 8 to the Legislative Reference Service was referred to this Division.

The following articles, citing examples of varying acceptability of manufactured products, including sewing machines, refrigerators, paint sprayers, radio sets and cigarette packages, are enclosed as instances in which improved design has fostered marketability:

Please do not hesitate to call or write if further information is required.

Very truly yours,

John Sherrod
Chief
Science and Technology Division
