RESOURCE GUIDE
From the Gay, Lesbian and Bisexual Association and the Committee to Eliminate Homophobia and Heterosexism...

We are excited to offer this resource guide to the URI community. During the past few years, the number of resources for gay, lesbian, bisexual, and transgendered persons has increased dramatically, making it necessary to have a comprehensive directory for URI organizations as well as important organizations from other schools and the community. This is a “first”, and it is dedicated to all of those from the URI community who have given their time and effort to creating a safe campus for lesbian, gay, bisexual, and transgendered people. We send a special thank you to Michelle Eaker, Memorial Union Student Activities, for the technical assistance that made this brochure possible.

From the President, Dr. Carothers

Dear Friends,

A learning community like the University of Rhode Island can only accomplish its mission in an atmosphere free from bias and bigotry. The open exchange of views and the acceptance of diverse individuals and groups for what they bring to the community are characteristics we seek to enhance. The resources outlined in this guide will lead you to people and programs committed to that goal. I urge you to get to know them and to make use of the services and counsel they offer.
