Dear Mr. Oswald:

I just wanted you to know how much I appreciated your participation in the recent Subcommittee hearing on the reauthorization of the National Endowment for the Humanities.

I thought the hearing went exceptionally well, and found the testimony to be very informative and helpful.

Because of the shortage of time at the hearing, I was unable to ask you the following questions. I would appreciate it very much if you would reply in writing at your earliest convenience so that we can complete the hearing record.

1. What is the nature of the relationship between the Utah Endowment for the Humanities and the Utah state government? Do you receive financial support through the state budget?

2. Could you elaborate further on the recommendation of the Federation of State Humanities Councils that the NEH be reauthorized for three years rather than five?

With warm regards and appreciation for your testimony,

Ever sincerely,

Claiborne Pell  
Chairman  
Subcommittee on Education, Arts and Humanities
