RE: Last Meeting for the Semester

A focus of our last couple of meetings has been to create a final version of the brochure on what a non-homophobic/non-heterosexist University Community would look like. We are hoping to have it included in the packet of materials at freshperson orientation (in June). In order to have this happen, we need your feedback, now! Please review the enclosed brochure and forward any comments/editing to Gwenneth Rae at HCF, at the Transition Center, by April 14 or bring them to our last meeting on April 15.

The meeting on Wednesday, April 15, 1992, will be from 12-2PM in room 224 in the Memorial Union. In an effort to accommodate various people's schedules, we planned a longer meeting so people could come for some or all of this time. It will also be an opportunity to acknowledge and celebrate the work we've have done so far - after our first year as the H and H Committee! Although this is considered the last meeting of the semester, some of us have to work at the University all year round (you may take out your violins) and therefore can continue to work on issues over the summer, if there's interest.

I know it's almost the end of the semester, but I hope everyone can attend on the 15th.
