BASE OPERATING AND SUPPORT SERVICES (BOSS) AT GOVERNORS ISLAND, NEW YORK, to include: custodial services, facilities maintenance, family housing maintenance and inspection, firefighting services, grounds maintenance, library, mail distribution, motor vehicles maintenance, pest control, security services, supply and warehousing, trash collection/disposal, and utilities maintenance. Anticipated period of performance, including options, is five years. This procurement action is subject to a Govt cost comparison pursuant to OMB Circular A-76 to determine the economic feasibility of performing work in-house or by contract. Firms having the capability to perform the required work are invited to submit a statement of interest to the Procurement Office within 30 calendar days of this notice. Info furnished should include a description of the firm's facilities, equipment, management, personnel and previous experience of performing work of this or similar nature. This is not a sol for offers. The Govt does not intend to award a contract on the basis of info received. No acknowledgement of receipt will be made. (082)

FIRE AND VEGETATIVE COMPOSITION AND HISTORY RESEARCH PROJECT, Sol YA551-RFP5-340026, BOD 6 May 85. Research project providing more explicit understanding of the relationships

between fire cycles, climactic sequences, and vegetational profiles during the holocene. Access to and intimate familiarity with past and ongoing research in this highly specialized area will be required for successful completion of the project within the available budget. A library of Macrofossils from Southeast Oregon, a catalogue of relevant plant pollens and a library of Neotoma Middens will be required for successful completion of the project. Access to an electron microprobe laboratory, radiocarbon laboratory and a nuclear reactor will be needed in order to complete the analysis. This is not a formal sol; however, concerns that respond should furnish detailed data concerning their capabilities and may request to receive a copy of the sol when it becomes available. This notice may represent the only official notice of such a sol. (082)
