19 OCTOBER 1992

Contents: New Serials; Coded Serials; Monograph Allocations, Revised;
Collection Development Directory

New Serials:

Journal of vocational education research. LC1041 J68

Coded Serials:

Corrections to the subject coded Faxon lists have been reported to
Faxon. Revised lists will be distributed shortly.

Monograph Allocations:

Revised allocations are attached. Check the codes within your
responsibility, and select accordingly. Please report any errors in
the listing at once. I have redistributed funds based on
activity-to-date, and on specific requests which you submitted. The
III acquisitions system will automatically stop orders and receipts
when funds are overextended. The October encumbrance reports will
reflect these revised allocations, and will now provide a balance
statement as well.

Collection Development Directory:

Attached is the latest edition of the departmental directory. Thanks
for submitting updates.
