New Serials:

Journal of vocational education research. LC1041 J68

Coded Serials:

Corrections to the subject coded Faxon lists have been reported to Faxon. Revised lists will be distributed shortly.

Monograph Allocations:

Revised allocations are attached. Check the codes within your responsibility, and select accordingly. Please report any errors in the listing at once. I have redistributed funds based on activity-to-date, and on specific requests which you submitted. The III acquisitions system will automatically stop orders and receipts when funds are overextended. The October encumbrance reports will reflect these revised allocations, and will now provide a balance statement as well.

Collection Development Directory:

Attached is the latest edition of the departmental directory. Thanks for submitting updates.
