Comes from fed in one pot. Then splits at
state into Governor, (employ, train),
at adult and ed. agncy (voc ed + adult ed).

We can have, in each state
policy on voc. and adult ed. can be 1 agency
or 2. Leave state some flexibility.
State formula allocated - plan ids how much to
Senate proposal - ed. money flow in 
Single bloc to Gov - cut checks evenly

In State distribution not less than 15% at State for voc ed, 11% for state activities, have permission to list
4% can be spent on admin, not less than 80% to local level.
2 formulas re: secondary & post-secondary.
Eligible agencies decide how to decide up. One district has a list of required uses of funds. P 114 86 S shall include technological education.

Of the 35% of block grant 75% going ENT to local unit for development areas
- pov rate, unem rate, pop, school
Factor of data by 50 local boards
25% State level with admin max.
5% - State has to be used for rapid response assistance (munic di/loc/boards, natural disasters)
Also short note on
Able sh. memt - labor market
