The Honorable Claiborne Pell
United States Senate
Washington, DC 20510

Dear Senator Pell,

Thank you very much for your letter of December 14 expressing support for our NEH planning grant proposal and for forwarding Chairman Duffey's reply to your letter. We are very grateful for your strong personal interest in our proposal. We look forward to being able to develop our interpretation of "Machines and Workers in the Textile Industry."

The support of the Endowments for the Arts and Humanities and the Institute for Museum Services are vital to our continuing operation. We are very glad to have your backing for museum operations and programs through those governmental agencies. We feel privileged to have you as our senator.

Sincerely yours,

Stephen Victor, Ph.D.
