Dear Jim:

At the request of Denny Wilson, Chairman, New England Foundation for the Arts, I will be chairing a discussion at the next Foundation meeting with Steve Sell in attendance, July 27-28, regarding the New England States' relationship to NASAA and with Fed-State. To that end, any further information that you can furnish regarding the reorganization of Fed-State and/or the proposed Intergovernmental Activities Panel would be greatly appreciated and would be of assistance in this discussion.

I will be in my office until early afternoon, July 26th. Please don't hesitate to call me anytime.

Thank you for any assistance you can give us.

Sincerely,

Robin Berry
