and Humanities
Room 4230, U.S. Senate
Washington, D.C. 20510

JUL 10 1973

Dear Senator Pell,

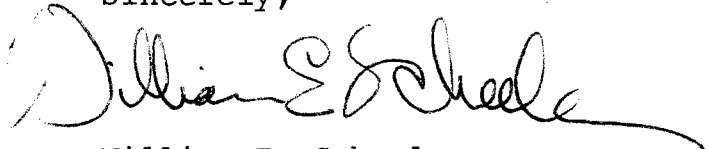

I wish to indicate that I plan to attend hearings scheduled by the Special Committee on Arts and Humanities for July 18th and 19th on the Museum Services Act in Washington, D.C.

I will represent the Museum of Science of Miami, Florida, where I have just been appointed Director. Previously, I served for twenty-three years as Director of the Cleveland Museum of Natural History and am a past president of the Association of Science Museum Directors.

A written statement concerning the needs of the Miami Museum and those of science museums generally will be presented for inclusion in the record of proceedings.

The millions of citizens who benefit annually from the presence of these institutions in our nation are well served by your continuing dedication to this worthy cause.

Sincerely,

William E. Scheele
Director, Museum of Science
