Mr Nick Littlefield
Staff Director and Chief Counsel
Committee on Labor and Human Resources
United States Senate, SD-428
Washington, DC 20510-6300

Dear Mr. Littlefield:

I herewith enclose the completed forms sent me. In addition, I am adding some comments which may clarify some of the information I have given.

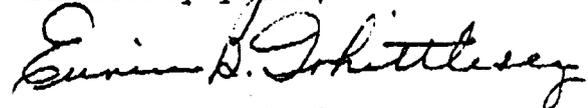

1. Two employment dates overlap. That is because I went from a full time employee at the New York State Senate (1983) to 1 day a week. That enabled me to work three or four days a week for the NY Statue of Liberty Celebration Foundation in New York City. I previously had spent considerable time as a Legislative Liason working with the Maritime Association of the Port of New York/New Jersey on problems and legislation concerning the port area. The Association was the first to start activity for the celebration of the Statue of Liberty and invited my involvement.

2. I retired from the State Senate in 1987 because I wanted to work actively on the Bush campaign. I felt that to do otherwise might evoke charges of conflict, and I did not want to cause problems for the President, the State Senate, or for myself.

3. During my tneure in the Senate, I left expecting not to return. The reason was a severe bout with hypoglycemia. However, after a few months, I began to feel better and wanted to return. Fortunately I was able to do so.

I'll be glad to clarify any other information you may need. I am grateful for being considered for a position which helps to serve our country.

Sincerely yours,

Eunice B. Whittlesey
