Dear Professor Iannone:

Your name has been referred to the Committee on Labor and Human Resources to be a Member of the National Council on the Humanities.

As required by the committee's rules of procedure, the committee respectfully requests that you complete the enclosed form. Please observe that the form is in two parts:

Part I requests information relating to your employment history, education, and background. Your responses to those questions will be made public.

Part II requests financial and other background data. Your responses to Part II will not be made public unless the committee determines that it bears directly on your qualifications to be a member of the council.

The committee would appreciate your completing the form and returning it to me at your convenience. Please note that page 10 requires your signature, sworn and subscribed before a notary.

Sincerely,

Nick Littlefield
Staff Director and Chief Counsel

P.S. On occasion, nominees have not responded to "Political affiliations and activities...during the last five years," on page 3. Certain members of the committee will not consider nominations until the statement is completed in its entirety, including specific candidates and amounts of contributions.
