Dear Senator Pell,

Over the years interested people have donated their time and funds to preserve our past by supporting Historical Societies and Historical Places.

They have long needed assistance to make what they stand for through services to school groups and the general public.

Therefore we feel it is timely and important that you should give support to the Museum Services Act Bill H R 8677 and S796.

With all good wishes,

J. Sanger Attwill  
President
