**Section II—Application Notices**

*Title of Program: Library Career Training Program—Fellowships and Institutes (Higher Education Act—Title II, Part B)*

**CFDA No.:** 84.036.

**Purpose:** Provides grants to train persons in librarianship through fellowships, institutes, and traineeships and to establish, develop, and expand programs of library and information science.

**Applicable Regulations:** (a) The Library Career Training Program Regulations, 34 CFR Part 776, and (b) the Education Department General

Administrative Regulations, 34 CFR Parts 74, 75, 77, 78, and 79.

**Priorities:** In accordance with § 776.5 of the regulations referenced in this notice, each year the Secretary may select one or more of the program's six priorities and allocate funds to each selected priority. These priorities apply to both fellowships and institutes. For fiscal year 1989, the Secretary has selected the following as invitational priorities:

(a) To provide advanced training in the development, structure, and management of new library organizational formats, such as

networks, consortia, and information utilities;

(b) To increase excellence in library leadership through advanced training in library management;

(c) To train or retrain library personnel in new techniques of information acquisition, transfer, and communication technology; and

(d) To train or retrain library personnel in areas of library specialization where there are currently shortages, such as school media, children's services, young adult services, science reference, and cataloging.

An application that meets these invitational priorities does not receive

from the Secretary competitive or absolute preference over other applications.

(34 CFR 75.105(c)(1))

The Secretary plans to allocate up to 30% of the available funds for institutes, if a sufficient number of institute applications warrant funding. The remaining funds will be allocated for fellowships.

*Program Authority:* 20 U.S.C. 351 *et seq.*

**Title of Program: Library Research and Demonstration Program (Higher Education Act—Title II, Part B)**

**CFDA No.:** 84.039.

**Purpose:** Provides grants to institutions of higher education and other public or private agencies, institutions, and organizations for research and demonstration programs related to the improvement of libraries, training in librarianship, and for dissemination of information derived from such projects.

**Applicable Regulations:** (a) The Library Research and Demonstration Program Regulations, 34 CFR Part 777, and (b) the Education Department General Administrative Regulations, 34 CFR Parts 74, 75, 77, 78, and 79.

**Priorities:** The Secretary invites applications that meet one or more of four priorities. These priorities were developed in consultation with researchers, practitioners, civic and business leaders, policymakers, and professional associations, all of whom participated in a series of meetings sponsored by the Department to identify "Issues in Library Research—Proposals for the Nineties." Ten major issues were identified. From this list the Secretary selected four to implement in fiscal year 1989. In addition the Secretary may commission papers to implement some

of the priorities. For fiscal year 1989, the priorities are:

(a) **Libraries and Education (The Library's Role in Education).** To support one or more research projects addressing the appropriate educational, cultural, and intellectual role of the library in relation to other educational institutions in a community of which it is a part.

(b) **Information Needs/Users.** To support one or more research projects to determine what we need to know about library users, non-users, and potential users as we attempt to assess the quality of service and resources and the extent to which the information needs of the community are met in public, academic, and school libraries.

(c) **Technology and Access to Information.** To support one or more projects for identifying the potential effects of new technologies on user access to information, indicators of access to information, the extent to which format affects access and use of information, or what additional barriers to access are evident or anticipated.

(d) **Economics of Libraries and Library Funding.** To support one or more research projects to study factors influencing the funding of libraries, the relationship between expenditures on libraries and outcomes, the impact user fees have on funding and access to libraries, and existing examples of innovative approaches to library funding.

An application that meets these invitational priorities does not receive from the Secretary competitive or absolute preference over other applications.

(34 CFR 75.105(c)(1)).
