Dear Mr. Goodman:

I read in the Cronicle of URI's "safe zone" program to protect the rights of gay and lesbian students. Our students at Wesley are very supportive of that concern, and we'd appreciate any literature you could send us as to how your program might be adapted to our situation. Any material you could send to me at the above address would be appreciated!

Best wishes for your continued work at URI.

Sincerely,
Ken Beals
