Re: Film Catalogues for the H & H Committee Film Series

Just in case I don't make it to the meeting on June 16 for some reason, I am sending you these copies of the relevant pages from both the Filmmakers Library and the Women Make Movies 1993 Catalogues, along with part of the ordering information. It is important to remember Shipping and Handling charges when figuring total costs. A checkmark next to a listing means that I have seen these films and can offer an opinion on them. I also have the Frameline 1993 Catalogue. This is the group which is responsible for the S.F. Gay/Lesbian Film Festival each year. Unfortunately, the format isn't conducive to photocopying. Besides, the whole catalogue is pertinent to our quest.

I do plan to be at the meeting on June 16. If anyone wants to look at the catalogues before then, I'd be happy to lend them. I'd also be interested in getting together with a sub-committee to select the films for our series.
