United States Senate
Washington, D.C. 20510

Dear Senator:

I want you to know how pleased and proud I am to have received the appointment to the Museum Services Board. I know that, but for your efforts, it never would have happened.

I'm not entirely certain yet what the recess appointment will permit me to do in a year's time, but I intend to make the most of it. As it turns out, this next year may be a crucial one for the cultural agencies as the new administration begins to formulate its assessments and decides its course of action, or reaction as the case may be.

I know the Endowments and the Institute have been re-authorized for another five years, but there is a lot a new administration can do by appointments and budget to affect their life and programs. I shall be eager to do all I can to sustain those things we have worked for.

I shall appreciate any suggestions you and Sandy may have since my apprenticeship will have to be brief if there are to be any accomplishments.

Thank you for the opportunity to serve.

Sincerely,

Albert T. Klyberg
