- Outstanding presentation.
- What a fun way to learn!
- Learned about how to teach a class.
- Wonderful group activities!
- Lots of great info. I had no idea URI offered this course to its students. It's a great course to offer.
- Very clear presentations.
- Good Presentation. Could use more structure with the activities.
- The three presenters chose an excellent format in having the class "do" what their students "do". Learned much to apply even to use in a public library.
