Dear Ms. Rathemacher:

Once again our Business Opportunity Program BOOST benefits tremendously by your very talented and generous efforts.

Our participants reported sincere awe and great appreciation after your work shop last Tuesday September 22, 1998. Not only for the opportunity to learn mysterious things about the materials available to them through the Library system, but also for the opportunity to meet with you personally and feel welcomed.

Again, Thank You!

Sincerely,

Margaret Tarbox
BOOST program director
