Dear Professor Burkett:

Thank you very much for your recent letter in which you inquire about possible sources of federal funds for research on the economies of Eastern Europe.

The National Endowment for the Humanities has a number of programs under their Division of Fellowships for which you may be eligible. I am enclosing a copy of the Endowment's 1981-82 Program Announcement which has a general summary of Fellowship programs beginning on page 9. In addition, I am sending the updated "Overview of Endowment Programs for 1982-83" which contains application deadlines and addresses of the appropriate program officers.

I would suggest that you get in direct touch with the staff at the Endowment to learn more details as well as to obtain the application materials. If there is anything more that I can help you with, please do not hesitate to get in touch.

With warm regards,

Ever sincerely,

Claiborne Pell
