## Beyond Tolerance: Gays, Lesbians and Bisexuals On Campus

### The ACPA Roadshow Sponsored by the Professional Development and Consultation Committee

The Professional Development and Consultation Committee of ACPA invites you to sponsor a "Roadshow" based on the book: "Beyond Tolerance: Gays, Lesbians and Bisexuals On Campus" published by ACPA Media. The "Beyond Tolerance" roadshow will consist of one-day workshops focusing on both awareness and developing action plans for meeting the needs of gay, lesbian and bisexual students and staff. These roadshow workshops will be scheduled through State Division Leaders and are set to begin in the fall of 1993.

Modeled after the highly successful ACPA cultural diversity and campus violence workshops, the programs provide a forum on vital topics for student affairs professionals and help state divisions enhance visibility as leaders in state professional development activities.

Workshop participants will receive a handbook of exercises that can be used in gay/lesbian/bisexual awareness programs and a copy of the book "Beyond Tolerance". Trainers for the workshop include Dr. Nancy Evans and Vernon A. Wall: Co-editors of the book "Beyond Tolerance." Additional facilitators will be trained during a retreat in the spring.

If your state is interested in hosting a roadshow workshop, please return the interest form below. Additional information can be obtained from Vernon Wall at (706) 542-8191.

I have questions about:

## *Beyond Tolerance. . .The Roadshow*

A "Roadshow" based on the book "Beyond Tolerance: Gays, Lesbians, and Bisexuals On Campus" is currently being developed and will be available for scheduling in the Fall of 1993. Sponsored by the Professional Development and Consultation Committee, the "roadshow" concept allows programs of interest to be provided locally for ACPA members at a reasonable cost. The "Beyond Tolerance" Roadshow will consist of a one-day workshop on gay, lesbian, and bisexual awareness. The program will focus on both awareness and developing action plans for meeting the needs of gay, lesbian, and bisexual students and staff.

Currently, the planning committee is looking for exercises, activities and articles related to increasing awareness around gay/lesbian/bisexual issues for a handbook that will be distributed at the workshops. If you'd like to contribute, send your entries to:

Doug Cureton  
Associate Director  
Campus Center  
Rhode Island College  
Providence, RI 02908  
(401) 456-8034

Also, the committee has begun the process of recruiting facilitators for the various workshops. If you are interested, contact:

Vernon A. Wall  
Coordinator for Staffing and Development  
University Housing  
Russell Hall  
University of Georgia

Those who express interest will receive a detailed description of responsibilities. If you have questions about the Roadshow, feel free to contact Vernon Wall at the phone number above.
